## Columbia Congregational Church February 2021 Pastor's Message

Dear Friends in Christ,

I LOVE beginnings!

I love beginnings for the future it promises.

I love beginnings for the anticipation of what is to come.

Like the beginning of a new year, with all the blessings that lay ahead of us.

Like the beginning of a new ministry, with all the wonderful ways we can serve God together.

Like the beginning of new relationships, with all the discoveries of gifts and talents.

It is at the beginning of something that our imaginations can run wild with possibilities.

Like when an artist stands before a blank canvas...the possibilities are endless.

Granted, this can be as much frightening as it is exciting.

I doubt any of us stood at the beginning of last year and understood how frightening the year 2020 could become.

Our holy scriptures begin with the words, "In the beginning....", and proceed to detail God's creative power and wisdom. In six days, our natural habitat known as Earth is created and populated. On the final day God blesses all that work with a Sabbath Day, when ALL of creation is infused with God's holy spirit. Thus, we are surrounded by God in all we see, hear, touch and smell. This Sabbath Day is when we worship, praising God for not only for the beauty of the earth but the beauty within each of us.

And so here we are, you and I, at the beginning of this new year, about to embark on a new ministry, building new relationships, as we work together to serve God's creative power and wisdom.

I pray you will join with me to serve God faithfully, and to serve God joyfully, and to praise God fully.

Now...as I am writing to you, I am looking at the many boxes of my "stuff" that I have yet to unpack.

You know... the "stuff" we need to have around us, that makes our living feel like home. The word "home" is such a simple word, yet packed with meaning.

It can invoke many feelings and evoke all sorts of memories.

For me "home" is where I am comfortable, and where I can be myself.

It is a place of hospitality, and welcoming. A place where love surrounds us, and where peace is found. I am sure each of you has your own way of defining it too.

Now that all my "stuff" is in one place I anticipate worshipping with you as your new pastor. February 1st is my first official day as your new minister, and since we cannot meet in person, please feel free to email, text, or call me.

I very much want to hear from you.

Better yet, **come to worship on Sunday February 7th** when we will celebrate Holy Communion; the sacrament in which God beckons us to be at "home", offering us a place at the table where we are surrounded by amazing grace, nourished with God's creative spirit and wisdom, and redeemed with steadfast love.

With Faith, *Pastor MaryAnn*

### **CHURCH WEBSITE**

The church Website is now secure, we have a valid Certificate and HTTPS: as part of our Domain name. (**HTTPS** (Hypertext Transfer Protocol Secure) is an internet communication protocol that protects the integrity and confidentiality of data between the user's computer and the website.) Basically this means any data on our site is secure and encrypted for our member's safety. I have received notes before from members who were afraid to make online donations or pledges because our site was displayed as "Not Secure" in their web browsers. This has been corrected and our site is now been certified by our web host and in independent certification company.
